

**TOWN OF DANIEL, UTAH  
MUNICIPAL RESOLUTION**

Number: DR-2017-09-11B

Appr. Date: September 11, 2017

Effect. Date: September 11, 2017

Short title: Resolution to adopt new culinary water and sewer rates for customers on the Storm Haven Water System

Purpose: To update water and sewer rates to better meet operating needs

Resolution: Whereas, the Town of Daniel has taken on the duties and responsibilities of providing water and sewer services for the users of the Storm Haven culinary water and sewer systems;  
Whereas, it is necessary to adjust the water and sewer user rates of the system at times to meet the needs of the system users, the Daniel Town Council finds it necessary to adjust the rates to match the system's operational expenses.

**Be it hereby resolved that this resolution shall supersede Resolution DR-2015-11-02B and establish new user rates for the sewer as follows:**

The rate for current sewer connections is increased to \$40.00 per month

**The base rate for water allows a usage of up to 8,000 gallons per month increased to \$45.00**

Over usage rates shall be billed as listed below:

8,001-10,000 gallons will be billed at \$2.00 per thousand

10,001-15,000 gallons will be billed at \$4.00 per thousand

15,001 gallons and up will be billed at \$5.00 per thousand

A finance charge of 2% shall be added to any unpaid balance on a monthly basis.

In the future, these rates will be reviewed at the discretion of the Town Council and may be adjusted by resolution either up or down to reflect actual costs of the operation, maintenance, and bonding debt service, if any, and reserve account requirements of Storm Haven Water.
