MUNICIPAL ORDINANCE**

Number: DO 2026-06-01B  
Appr. Date: June 1, 2026  
Effect. Date: June 1, 2026

Short Title: Adoption of Wildland Urban Interface Map and Code

Purpose: To approve and adopt the Daniel Town Wildland Urban Interface Map and Code

Ordinance: Whereas, the Utah State Legislature has passed HB 48, which addresses wildfire risks associated with wildland-urban interface properties; and

Whereas, the Utah State Legislature has imposed several requirements upon cities and counties, including the adoption and enforcement of wildland-urban interface building standards and the creation of a Daniel Town WUI map which identifies areas in Daniel where the WUI building code will apply.

Accordingly, Daniel Town proposes to adopt the Daniel Town WUI map, identifying the area(s) in which property will be subject to the WUI Building Code.

In addition, pursuant to HB 48, it is proposed that Daniel Town adopt the 2006 Wildland-Urban Interface code, as adopted by the Town of Daniel.
